"The Future of the News"

Print, Broadcast, and Internet

Discussion on Misconceptions and Realities

FRIDAY, MARCH 19, 2010, 7:30am-10:00am

Hilton Columbia

5485 Twin Knolls Road • Columbia, MD 21045

Please join the leadership community in a lively discussion about the future of the news -- how it is gathered and how it is delivered. With the speed and immediacy of today's news, is there a place for traditional journalism that once resulted in the uncovering of Watergate? What does news coverage look like as we begin a new decade with new technology and a depressed economy? This and more from our panel of media experts.
