

Luminus Network offers vital legal representation to immigrants, refugees, asylum seekers, and asylees throughout their immigration proceedings. With anticipated shifts in the national landscape under the incoming administration in Washington, D.C., the demand for our services is expected to grow significantly. Comptroller of Maryland Lierman's [2022 report](#) highlights the critical role international immigration played in driving Maryland's economic success, underscoring the importance of supporting immigrant communities. Your donations help us continue this essential work—make your contribution [online](#) today.
